I/We completely understand that travel and living in the country can be risky and dangerous. For example, I realize that the weather can drastically change, trails may not be maintained, horses are unpredictable, travel and conditions are rough, dangerous, tiring, and my child may be many miles from roads where help and medical attention would be available. _____(initials)

I/We understand that these risks, dangers and hardships cannot be controlled or eliminated, even with careful planning, experience, foresight, and alertness on anyone's part. I/We understand that you cannot guarantee my child's safety or well-being, and the ranch does not provide helmets, and I am responsible for bringing my own, and agree child will wear it, without supervision of any staff member. I assume all dangers and risks involved in my child's trip with you. _____(initials)
