

An Experience of a Lifetime – Building Confidence Through Knowledge!

Leadership skills and effective communication are the cornerstones of being successful in life as well as being successful with horses.

One of our main goals of the Lead Changes Horsemanship and Leadership Youth Camp is to teach our youth to understand the mentality of the horse; learning how the horse thinks and how they react. We believe that by developing confidence and instilling honor and respect for our fellow man can best be accomplished by instilling the same confidence, honor and respect with the horse.

During these amazing weeks at camp, your child will be engaged in many ranch activities including horsemanship instruction, trail rides, fly fishing, teepee camping, cattle working, team building and handling various responsibilities related to ranch life. Our qualified counselors, instructors and special guest speakers will ensure a memorable two-week camp of education and development for our future leaders, your child.

Demonstrations and instruction from world renowned horseman, Chris Cox, will be a daily event. Chris will personally head up the direction of the entire two weeks.

We believe in our youth! We also believe the horse is a great vessel for the development of their future.

We hope to see your son, daughter or sponsored youth the summer of 2022 at the Triangle C Ranch in Dubois, WY for what can truly be a life-changing event in their life!

First, I completely understand that travel and living in the country can be risky and dangerous. For example, I realize that the weather can drastically change, trails may not be maintained, horses are unpredictable, travel and conditions are rough, dangerous, and tiring, and my child may be many miles from roads where help and medical attention would be available. Second, I understand that these risks, dangers and hardships cannot be controlled or eliminated, even with careful planning, experience, foresight, and alertness on your part. I understand that you cannot guarantee my child's safety or well-being, and the ranch does not provide helmets, I am responsible for bringing my own.

Completely understanding this and more, I assume all dangers and risks involved in my child's trip with you. Further, I totally release and discharge you, your business, employees, and the like from liability and damages as a result of any bodily or personal injuries or property damage or death incurred in connection with my child's trip, regardless of whose fault or negligence, if any, it is and even if the fault or negligence is yours, or that of your business, employees or agents. **WARNING:** Under Wyoming Law, an equine professional is not liable for an injury to or the death of a participant in equine activities resulting from the inherent risks of equine activities, pursuant to W.S. 1-1-126. We are not responsible for lost or damaged belongings. Check your homeowner's insurance policy for coverage or buy trip insurance.
